

CAREER EDUCATION

The Board of Trustees believes that constructive attitudes and concepts involving the dignity of all kinds of work belong in the curriculum from the beginning grades. Therefore, in fulfillment of the Core Curriculum Content Standards, the board shall develop and implement a comprehensive guidance and counseling system that facilitates career awareness and exploration for all students. The board shall ensure that educational programs shall continuously expose pupils to the nature of the wide variety of careers available. The cross-content workplace readiness standards shall be infused into the curriculum throughout the grades in age appropriate activities. When any hands on experience requires use of power tools, etc., all eye protection and other appropriate safety regulations shall be observed.

Career Education and Counseling

The board shall develop and implement a comprehensive guidance and academic counseling program for all students to facilitate career awareness, exploration, and preparation. This program shall:

- A. Be linked to the Core Curriculum Contents Standards;
- B. Be infused throughout the K-12 curriculum;
- C. Be supported by professional development programs;
- D. Take into consideration the academic, career and personal/social development of the student; and
- E. Ensure that students with disabilities (age 14 or younger), if determined appropriate by IEP, have career counseling coordinated with transitional services in accordance with N.J.A.C. 6A:14-3.7.

The board shall develop and implement curriculum and instructional methods that:

- A. Are integrated with technological literacy;
- B. Provide all students with an understanding of the career application of knowledge and skills learned in the classroom; and
- C. Provide all students with the opportunity to apply knowledge and skills learned in the classroom to real or simulated career challenges.

The board will develop and implement for all students a system of career development activities that:

- A. Offers the opportunity to explore career interests within, but not limited to, arts and humanities; business and information systems; mathematics, science and technology; and health and human services;
- B. Addresses school resources, community needs and student interest;
- C. Allows the board to select an appropriate delivery format that may include an integrated curriculum based on the Core Curriculum Content Standards or specialized programs that reflect the needs of students and the community; and
- D. Instills the concept of the need for continuous learning throughout one’s life.
